## TESTIMONIALS

*“The Boothbay Harbor Region Chamber of Commerce has been an invaluable partner to Damariscotta Pumpkinfest & Regatta for the last decade. The Chamber guide's vast distribution and promotional reach has been essential to the growth of visitors to Pumpkinfest, far beyond local markets. Employee stability and consistency within the Chamber has contributed to their effectiveness, and benefitted their member-advertisers tremendously.”*

**Kathy Anderson**

Damariscotta Pumpkinfest

*“I would like to encourage every chamber member who would like to see more visitors at their place of business to be listed on the Chamber visitors map. We review the map with every guest who is new to Boothbay at check-in and throughout their stay. We check in between 10 and 40 guests every day, multiply that number by 180 days and that is a lot of guests being informed about your business – and we are only one of many hotels and inns in the area. Let's all make it easier for visitors to the Boothbay Region to find you and show off all that we have to offer.”*

**Mark Osborn**
